

Diesel Mechanics

Lucas Earthmovers is a nationally recognised South Australian based company with over 250 employees. Lucas operates in the mining, civil construction, quarrying & crushing, and waste management industries both locally and nationally.

We are seeking to employ a number of suitably qualified and experienced Diesel Mechanics to support our field operations at our workshop at Darlington, SA.

To be considered for these positions applicants must:

- Be a qualified tradesman (diesel fitter) with several years experience,
- Prepared to work in a workshop and undertake field work as required,
- Relieve at remote sites for short or extended periods as required,
- Be familiar with Caterpillar, Komatsu, Hitachi, and Volvo equipment,
- Hold a current drivers licence.

It is desirable that applicants:

- Have MR or HR drivers licence,
- Forklift and EWP tickets.

Applicants must be able to successfully pass pre-employment medicals and drug & alcohol screening.

A competitive rate and benefits will be offered to the successful applicants.

Initial enquiries can be made to Natalie Allen tel. 0881794000 during normal business hours Mon. – Fri.

All applications must be in writing, detailing qualifications, experience and listing referees. Applications will be treated with the strictest confidence. To apply, please use our Employment Enquiries Form or send your resume to:
