

## Mobile Equipment Air-Conditioning Specialist – Remote Sites

**Lucas Earthmovers** is a nationally recognised South Australian based company with over 300 employees. Lucas operates in the mining, civil construction, quarrying & crushing, and waste management industries both locally and nationally.

We are seeking to employ qualified and experienced Mobile Equipment Air-Conditioning Specialist for operations based at remote sites across SA, WA and NSW.

To be considered for this position applicants must:

- Be a qualified & licensed refrigeration mechanic or Auto Electrician with a minimum "B" class Electricians ticket.
- Have experience with air-conditioning systems on mobile plant such as Grader, Dozer, Excavator, Front End Loaders etc,
- Have experience with air-conditioning systems on prime movers and light vehicles.

It is desirable that applicants:

- Have some experience with domestic air-conditioning systems,
- Be prepared to work to a fixed roster at various sites and FI/FO or DI/DO from Adelaide,
- Have a positive and proactive attitude to safety and strong work ethic.

Applicants must be able to successfully pass pre-employment medicals and drug & alcohol screening & AFP checks.

A competitive rate and benefits will be offered to the successful applicant.

Initial enquiries can be made to Natalie Allen tel. 08 81794000 during normal business hours Mon. – Fri.

All applications must be in writing, detailing qualifications, experience and listing referees. Applications will be treated with the strictest confidence. To apply, please use our Employment Enquiries Form or send your resume to:
